

10 REASONS TO STUDY AT THE UNIVERSITY OF GRANADA

1 A HIGH-RANKING UNIVERSITY
International rankings reflect the UGR's position among the top universities in Spain and the best in the world. In 2019-2020, 35 subjects from the University of Granada feature in the Academic Ranking of World Universities (ARWU), 5 of which are in the world top 100.

2 A TRULY INTERNATIONAL EXPERIENCE
The UGR is a welcoming cosmopolitan university: 23% of our postgraduate students are international. The UGR is also the most popular study destination among European exchange students (Erasmus+). Moreover, thanks to our 800+ exchange agreements with universities across the globe, we provide excellent international mobility opportunities.

3 A WIDE RANGE OF DEGREES
The UGR offers high-quality academic programmes with a clear international vocation, including over 70 undergraduate degrees, 100 master's degrees (9 of which are international double degrees) and 28 doctoral programmes. We also run short courses, online courses, lifelong learning courses, and summer schools.

4 LANGUAGE LEARNING OPPORTUNITIES
You can learn Spanish and other languages alongside the 10,000 local and international students who enrol each year on courses offered by the UGR's Modern Languages Centre, Confucius Institute (Chinese) and "Russkiy Mir" Russian Centre.

5 TOP FACILITIES AND SERVICES
The UGR provides top-quality services that cover all aspects of university life (accommodation, libraries, canteens, disability services, sports, etc.).

6 AN IDEAL UNIVERSITY CITY
The UGR merges with the city, its schools and campuses distributed throughout Granada, giving the city a lively student atmosphere (56,000 students among an urban population of 240,000).

7 WORLD-CLASS RESEARCH
The UGR is internationally renowned for its excellence in diverse research fields, including Library and Information Sciences (world top 50), Computer Science, Health Sciences, and Linguistics, among others. Our 500+ research groups encompass all areas of knowledge, collaborating closely with leading national and international researchers.

8 AN INTERCONTINENTAL UNIVERSITY
The UGR has campuses in the North African cities of Ceuta and Melilla, making our university a truly intercontinental institution. The city of Granada has an outstanding geographical location just 40 minutes from the Mediterranean Coast with its tropical climate, and 30 minutes from the Sierra Nevada ski resort.

9 STEEPED IN HISTORY AND CULTURE
Granada is full of monuments, history and culture, making it a great city to explore and a magnificent destination for students from around the world. It boasts an eclectic mix of cultural activities, including festivals of flamenco, jazz, theatre, gastronomy, poetry, music, magic and dance.

10 COMMITMENT TO SUSTAINABLE DEVELOPMENT
The UGR is firmly committed to the UN Sustainable Development Goals. Our students and staff have the chance to take part in local community initiatives and international development cooperation activities.

UNIVERSIDAD DE GRANADA

MASTER'S DEGREES

The University of Granada offers a wide selection of high-quality training programmes in all fields of knowledge with a clear international vocation. With a community of 56,000 students, 11% of our undergraduate students and 23% of our postgraduate students are international.

Currently, the UGR offers more than 100 official master's degrees, including 4 Erasmus Mundus programmes, 9 international double degrees, 16 blended and online learning programmes, 5 bilingual programmes (Spanish-English) and 3 taught completely in English.

This list of official master's degrees may be subject to modification in the next academic year. For a fully updated list, please consult: masteres.ugr.es

Most UGR master's degrees consist of 60 ECTS credits, equivalent to one academic year (from October to July/September), unless otherwise stated. For further information on the validity of these qualifications for practising professions in Spain and abroad, please consult: <http://ec.europa.eu/growth/tools-databases/regprof>

(HAB): Licensure master's degree for regulated professions (*Máster habilitante*)

(AH): Licensure-like master's degree for non-regulated professions (*Máster asimilado a habilitante*)

(APNR): Non-licensure master's degree (*Máster no habilitante*)

INTERNATIONAL SCHOOL FOR POSTGRADUATE STUDIES (EIP)
